

The background of the image is a vibrant, colorful scene of a fairground or festival. The sky is a bright, clear blue, filled with numerous long, thin streamers in white, yellow, green, and red that are falling from the top. In the foreground and midground, there are ornate, colorful structures, possibly part of a carousel or a themed ride, with intricate designs and bright colors like blue, gold, and red. Large, stylized flowers in shades of yellow and orange are visible, along with a fountain of blue water on the right side. The overall atmosphere is festive and celebratory.

## INTERCHANGEABLE HEADS FOR SIROCCO TURBINE

### NEW SIROCCO 2019

A SMART SOLUTION OF SMALL DIMENSIONS AND WEIGHT WITH INTERCHANGEABLE FX HEADS SYSTEM

- **Powerful fan** with **brushless electric motor**, all incorporated on a compact base.
- Take advantage of its **interchangeable head system** and combine its **5 different FX heads** to get amazing stage FX.
- **Adjustable speed** to enjoy even more the FX heads.
- Tripod accomodation allowing to **rotate the machine 360°**.
- Compact, handy and extremely light (**only 27 kg**).
- **Waterproof motor** with IP-68 protection (not the power supply).
- **Low electricity consumption** as it works at 28v instead of 110-220v.
- Transformer **power supply included** (110/220v to 28v).
- Includes extra grille to blow and elevate **sky dancers**.
